You are cordially invited to Women in Community Rail's
4th Birthday party.

Date: Monday 29th June

Time: 3pm

Venue: Zoom Room

See email attached to this E-Blast for joining instructions

Please join us to let off a bit of steam and celebrate our achievements over the past four years. Also hear about our exciting future plans and how we plan to deliver them. There will be games and interaction and great chance to catch up with each other. All you need to bring is your own cake and wine then there should be plenty for everyone.

Yours To Use For Free!

Last year with fantastic support from Northern and Network Rail we launched our two fabulous short films highlighting both career and volunteering opportunities in community rail. You can view the careers film [here](#) and the volunteering film [here](#). In the current situation where digital and technology is stepping in to fill so many gaps this is a great time to use them and keep in touch with your contacts using the films as a reminder of what community rail can deliver when things get back to the new normal.

Backtrack Anti-Trespassing Competition

A competition worked up by Karen Bennett from Community Rail Lancashire and Madelaine Mills from Sussex CRP is open to all 11-18 year olds across the UK and has six categories. Entrants are being asked to make a video, write a song/rap, produce a story board or write a script which shares the anti-trespassing message.

Please get involved and contact Karen Bennett at karen.bennett.crl@gmail.com

Get In Touch

The lockdown has been a very challenging time for some of us. If you are normally out and about, being stuck in one place won't have been easy. WiCR are really conscious some of our members may be feeling a little fed up of their own company and would like to have a chat with an old or even a new friend. If that's the case please drop us an email at Info.wicrail@gmail.com and someone will be in touch. Alternatively give our Chair Marion a call on 07547045079 if you think WiCR can help in other ways.
