We are celebrating International Women's Day

check us out at the DfT conference or on our social media outlets

This is an important day in the WiCR calendar. To celebrate all of our achievements over the last 12 months we will be hosting a session at the DfT conference on 8th March. It promises to have lots of interaction and positive new stories that you have sent to us to share. However if you cannot make the conference we will be sharing our story throughout the day on our social media platforms and website. Please keep your eyes peeled for our fantastic celebration video.

WiCR South AGM - It's Your Chance to Vote

AGM - On the 24th March, WiCR South will be hosting their first AGM. It will be an opportunity to look back on what has been a very different year, as well as looking forward to exciting plans for this year. This will be a virtual event, and everyone is welcome. More details will be sent out closer to the time, but get the date pencilled in your diary.

Steering Group - There are 7 members on the Steering Group, with 4 officer positions: Chair, Vice-Chair, Treasurer and Secretary. All current Steering Group members have put themselves forward to stay on, however if you would like to nominate yourself for one of the officer positions, then at the AGM a vote will be organised, allowing each candidate the opportunity to talk, before agreeing on the Steering Group for the upcoming year.

What can we help you with next?

WiCR have delivered several successful training events for its members, including **'unconscious bias & breaking down barriers'**, **'challenging inappropriate behaviour'** and **mental health first aid**.

We have had positive feedback from our members.

Do you have any training needs or what would you like to see more of in Community Rail. Help us to help you?
