WHAT A SUCCESSFUL TRAINING EVENT

We had fantastic feedback from the recent training event we held at Mann Island on 22nd October, this was our first face to face event in nearly two years. We covered three areas, Mental Health and Motivation, Interview techniques and showcasing the railway by being more than just a journey . The success of this day has enabled us to offer support to those less likely to see rail as an enabler to improve mental health, gain skills, meet new friends and has widened our partners to include social prescribers within the NHS.

Please let Jayne know if you have any training requirements you would like us to cover in our next event or if you just need a bit of support.
