WiCR Welcomes You Into 2022

We started the year off with our Steering Group meeting in early January to confirm our activity and finalise our plans for the year ahead. To help with this Jayne has pulled together an awareness calendar of events and activities that may be useful to you. ([Awareness](#) Calendar)

Our first big celebration will be of course **“WOMEN’S INTERNATIONAL DAY”**.

With the theme being **“Break The Bias” CHOOSE TO CHALLENGE**.

WiCR will be celebrating the day on Tuesday 8th March at Manchester Piccadilly station, at 10:30am where we will be joined by some of our members.

Please come along and join in. Alternatively if you would like to get involved at your local station drop Jayne an email to see how we can support you.

Getting Together

We will be holding our first face to face Steering Group meeting in Bolton on 13th April. We have a packed agenda and are ready and raring to get out to spread the word of WiCR. Please let us know if you would like to get more involved in WiCR by emailing Jayne.

Feedback from our members

- We recently emailed our Community Rail Officer members a survey, if you have received a survey it would be appreciated if you could spare a few moments to complete it and return it to Jayne.
- Now we are able to meet face to face please let us know of any training or support you need. No training too big or too small.
- We will be celebrating our 6th year of WiCR in June this year. We plan to hold a celebration event to make up for the two previous birthdays we've missed out on. Come along, celebrate in our ambitious plans and lets achieve change together. Date, time and venue to be confirmed.
